## Notice of Public Hearing and Legal Documentation

**KENTUCKY DIVISION FOR AIR QUALITY  
NOTICE OF PUBLIC HEARING  
TO REVISE KENTUCKY'S STATE IMPLEMENTATION PLAN**

The Kentucky Environmental and Public Protection Cabinet will conduct a public hearing on April 18, 2005, at 6:00 p.m. (CT) in the conference room of the Christian County Commerce Center, 2800 Ft. Campbell Blvd., Hopkinsville, Kentucky. This hearing is being held to receive comments on a proposed State Implementation Plan (SIP) revision to redesignate the Kentucky portion of the Clarksville-Hopkinsville, Tennessee-Kentucky ozone nonattainment area to attainment for the eight-hour ozone National Ambient Air Quality Standard. This revision, when approved by U.S. EPA, will redesignate Christian County to attainment, and document that the ambient monitoring data for 8-hour ozone indicates attainment of the standard.

This hearing is open to the public and all interested persons will be given the opportunity to present testimony. To assure that all comments are accurately recorded, the Division requests that oral comments presented at the hearing also be provided in written form, if possible. To be considered part of the hearing record, comments must be received by the close of the hearing. Comments should be sent to the contact person.

The full text of the proposed SIP revision is available for public inspection and copying during regular business hours (8:00 a.m. to 4:30 p.m.) at the locations listed below. Any individual requiring copies may submit a request to the Division for Air Quality in writing, by telephone, or by FAX. Requests for copies should be directed to the contact person. In addition, an electronic version of the proposed SIP revision document and relevant attachments can be downloaded from the Division for Air Quality's web site at:
